This reunion is going to be a bit different than previous reunions in that there is not going to be a "reunion hotel" that everything centers around. There will be 2 planned locations where everyone can gather – one for Friday night & one for Saturday night. Where you stay is up to you and your budget (see list of a few suggested options below).

Planned Schedule

Friday night, June 8, 2012

Those of you that arrive Friday night, we are going to meet in the bar of the Hotel Contessa, which is on the River walk. It is a very large area & should be sufficient space for us to connect, visit and make plans for the next day with those we want to spend time with.

Saturday, June 9 daytime –

Spend the day doing whatever you want to do with whomever you would like. However, remember it's hot in Texas in the summer, so you may enjoy just lounging by your hotel pool with friends. Some may want to have lunch in one of the boats that sail along the river. There are many places to go & things to do in San Antonio. The internet provides lots of sources for activities and you can contact the Chamber of Commerce for all sorts of information. Here's another link that provides all kinds of activities from golf to shopping to sightseeing:

Saturday Night –

Dinner & Dance at Rita's on the River- Plenty of chips & salsa and appetizers to start with traditional fajita dinner to follow w/alcoholic drinks available. Menu details will be posted later. Dinner starts at 7:00pm& the facilities are reserved through 11:00. After that the party can continue at any of the various bars or hotel bars along the river walk.

Hotels-

As for hotels – many of you will be able to get good or better rates through various sites &/ or airline/hotel packages. Feel free to go for any deals you can get. Joyce has done up a spread sheet listing many of the hotels& information about them. If you click on the name it will take you to the hotel's site. (If you will let Joyce know where you plan to stay we can coordinate contacting each other). Many of the hotels have discounts for federal & state government employees, military, AAA, AARP, & others, so be sure to ask about discount rates. You may also get a better rate for combined travel and accommodations, or if you
